

A recipe for friendship

Different cultures, great food and new friends are proving a recipe for success at a Sunbury community kitchen. People from a range of backgrounds are learning how to prepare delicious home-cooked meals as part of the ongoing initiative of Sunbury Community Health, cohealth and Djerrwarrh Community and Education Services. Asian stir-frys, Italian pastas and even German meatloaf have been on the weekly menu. "It's a great chance to meet new people, try a recipe and sit down with those new friends to enjoy a delicious meal," a Djerrwarrh spokeswoman said. The community kitchen is open at Sunbury Memorial Hall from 10am-1pm every Tuesday, including school holidays. Cost: \$4. Details: 8746 1000.
