Say hello to Sunbury

Sunbury residents are saying hello to their community.

Sunbury Community Health group Together Sunbury has come up with a campaign called Just Say Hello to encourage friendliness in the neighbourhood.

Community Health board of directors chair Peter Donlon said the campaign is a result of a group member's experience of walking in Williamstown, saying 'hello' to people in the street.

Mr Donlon said he wanted to replicate this in Sunbury.

"We've got a nice friendly community ... when you're walking your dog or walking with your friends, just say hello," Mr Donlon said.

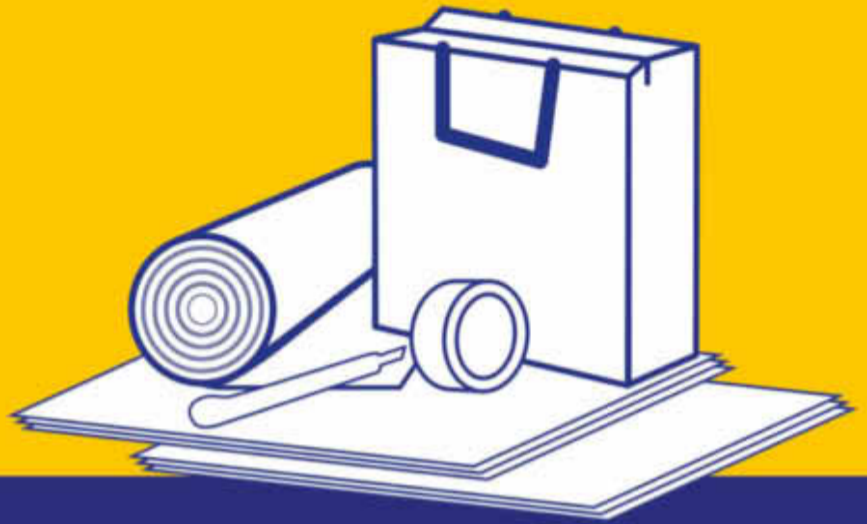

"It's a little project to help build community."

Mr Donlon said there was a similar process on social media. Locals can use the hashtags #JustSayHelloSunbury, #LoveSunbury and #TogetherSunbury to spread the campaign.

He said the group will be handing out postcards throughout Sunbury and at local events to encourage people to just say hello.

The reasons are black and white

It's your responsibility to be fire ready this summer, so prepare your property, fire plan and emergency kit now. When hot, dry, windy days are forecast, check Fire Danger Ratings in your district daily and monitor conditions via local radio, the VicEmergency website and app.

On high-risk fire days, leaving early, before a fire starts, is always the safest option.
