# Chance to hear from, and question, all ward candidates

GET to know more about your Hume Council Jacksons Creek Ward candidates at a special forum on Thursday.

All 13 candidates standing for the three ward positions have been invited to the

Sunbury Community Health event. Jacksons Creek Ward Meet the Candidates 2016 is supported by *Sunbury Leader*, Sunbury Business Association and Sunbury Radio.

Each candidate will make a three-minute presentation to outline their concerns, passions and priorities should they be voted onto council.

A Q&A session will follow, facilitated by Dr Annie

Bolitho. Dr Bolitho will take handwritten questions on the night and collate questions submitted earlier through Facebook, twitter and email.

All questions at the forum – to be held at Sunbury

Memorial Hall on Thursday from 7-8.30pm – need to be relevant to all candidates and posts to social media must identify the author.
